

HOW to ENTER the Conclave

Locating and Saving Your “Magic Link” in Your Calendar:

1. You need the “Magic Link” sent by Airmeet (From mail ID “notifications@airmeet..” OR “info@airmeet..”) within two days after your registration at Townscript.
2. This link is valid for all the days and all the sessions.
3. The link comes as a calendar invite and blocks your time there for 7 PM (IST) for all the days.
4. Save it in your Calendar.
5. You may also download the specific “*.ics” file and add it to your calendar and set reminders.
6. Your Link is personalized for you; please do not share it with anyone.

If you cannot locate your “Magic Link”, Do One or More of the Following:

1. Search the IN box of the **same E-Mail ID** you had used for registration.
2. Check at the Calendar associated with the mail ID) whether the event has been blocked. Check to see if you can find the link in the invite.
3. Search the **SPAM/Junk Mail/ Promotions** or equivalent folders of your mail server for a mail from Airmeet (See Pt 1 in the above paragraph).
4. It would be present in any one of these locations. Save it to your calendar and set reminders.

If none of the above work, please do write to us: contact@icfchennai.com

Thank You & Enjoy the Conclave!
